## Group Classes This Summer

We would like to invite all of you to a special series of group classes! Igor has developed a Jazz Dance class incorporating modern movements, tap steps, rhythms, and stretching. Come give it a try on Fridays at 8PM.

The popular Ladies' Styling class will continue on Thursdays with Masha and Polina bringing a fresh approach. Please, check with her regarding class themes!

We will still host Advanced

Technique classes Saturdays at 1PM. It is absolutely helpful especially for competitors at Turning Stone Casino!!!

And of course, Roman will hold the unforgettable Social Bronze class. Two dances in one lesson!!!
